

Annotated bibliography for:

**M avium in bronchiectasis: pathogen, passenger or both?**

**Canadian Thoracic Society bronchiectasis symposium. Tuesday, November 3, 2009**

Stephen K. Field, MD, CM, FCCP

Chest 2009 San Diego

**Summary of talk:**

Review patterns on M avium complex lung disease

Evidence for M avium complex causing bronchiectasis

Prevalence of M avium in bronchiectasis

Discuss concept of colonization vs infection
